### **BIOGRAPHY**

**Numero Cromatico** is a research centre established in Rome in 2011 by a group of researchers with a background in both visual arts and neuroscience. The centre designs and organises innovative activities and events on the scientific approach to art research. On top of this, in the past nine years, the centre produced exhibitions, talks, seminars, publications and workshops. Since the very beginning, the research centre has been also a publishing house and has been producing *Nodes Journal*, the only publication on the relationship between art and neuroscience.

### **Show by Numero Cromatico**

*Empty space,  
lights out,  
wrapped artworks.*

*Numero Cromatico  
ends its season  
at the Pastificio Cerere.*
