**La quadratura del cerchio** takes place on April 22, 2018, as the closing event of the exhibition "*Dionigi Mattia Gagliardi – Recent Works*".

The event aimed at creating a debate between the most active curators under 35, in the attempt to set the basis of a new artistic season, characterised by debate and construction on a national level.

The keyword of the meeting/event/talk will be "research". We tried to understand the main research projects in the art field, the modus operandi of the artists, art historians and curators.

The talk will be moderated by Dionigi Mattia Gagliardi and the speakers will be Chiara Argentino, Francesco Buonerba, Annalisa Ferraro, Vasco Forconi, Angelica Gatto, Saverio Verini and Simone Zacchini.
